

## **Asthma Management Program**

### **Franciscan Skemp Healthcare**

#### **La Crosse, WI**

**For Information call 608-793-3898 or 608-791-3891**

The Asthma Management Education Program is intended to educate patients and their families in successful self-management of asthma. Through knowledge and support, patients can achieve healthy living, allowing for greater independence. Education includes Peak Flow Meter use, best use of Asthma medications, and healthy living guidelines. The Asthma Education Team consists of a Pharmacist and Respiratory Therapists.

A referral from your Primary Provider is required, but the staff can assist you in obtaining the referral. Call for more information.

#### **LaCrosse Campus:**

Program Hours: 8:30 am to 5 pm on Tuesday and Thursday by appointment. Your primary provider can assist in making the appointment.

#### **Sparta Campus:**

Program Hours: Weekly on Thursday from 12-4 pm.

Patients receiving a referral from their provider are able to schedule an appointment through the clinic admissions office (608-269-1770).

#### **Lake Tomah Clinic**

Program Hours: 1st and 3rd Wednesday of the month from 12 to 4 pm. Patients receiving a referral from their provider are able to register with the Lake Tomah clinic receptionists (608-362-5454).
