Providers by Specialty Index	29

Health Tradition Health Plan has made every effort to ensure that this Provider Directory was accurate when issued. However, because healthcare facilities constantly add to and adjust their lists of providers, we cannot guarantee that a particular provider listed in this Directory will be participating at the time you seek care. In addition, some of the listed providers may occasionally close their practices to new patients. If you have questions regarding the availability of a particular provider, please contact the Member Advocate.

Health Tradition
1808 East Main St.
Onalaska, WI 54650

Mayo Clinic Rochester, Rochester Methodist Hospital and Saint Marys Hospital are specialty referral centers for Health Tradition. You will need an approved written referral for services to be covered at these locations. Services that can be performed by your in-network practitioners likely will not be authorized at these specialty referral centers.

For information regarding medical claims or coverage, or for information regarding this directory, please call Customer Service at the number on the back of your card.
