

## Abridged Version – December 2011

This formulary is an alphabetical list of prescription drugs covered by your Health Tradition health plan. This list, developed in consultation with a team of health care providers, represents the safest, most cost effective drugs available to you. Medications listed in **bold text** are generic. Medications listed in normal text are brand name. Medications requiring prior authorization are **in a box**. Please note the following:

- This formulary does not apply to members enrolled in the BadgerCare Plus Standard, Benchmark and Core Plans with Health Tradition Health Plan. BadgerCare Plus members have prescription coverage through the State of Wisconsin. Please contact the state's Member Services toll-free number (1-800-362-3002) for information on covered medications.
- Health Tradition members must have any outpatient prescriptions filled at an SXC Health Solutions, Inc. pharmacy. To search for an SXC participating pharmacy near you, simply register and log in at [www.MMSIServices.com](http://www.MMSIServices.com), click on **My Pharmacy**, select the **Pharmacy Search** tool, and follow the simple instructions. Or call MMSI Customer Service at 1-877-832-1823.
- Over-the-counter medications are not covered by the health plan.
- This formulary contains items commonly used in the outpatient setting.

For more information on your formulary or how to fill your prescriptions, please visit the **Member** area of the Health Tradition Web site, [www.healthtradition.com](http://www.healthtradition.com), and select **Drugs/Pharmacy**.
