

Health Tradition Formulary

Abridged Version — December 2009

This formulary is an alphabetical list of prescription drugs covered by your Health Tradition health plan. This list, developed in consultation with a team of health care providers, represents the safest, most cost effective drugs available to you. Medications listed in purple are brand name; medications listed in black are generic. Medications requiring prior authorization are **Shaded**. Please note the following:

- This formulary does not apply to members enrolled in the BadgerCare Plus Standard, Benchmark and Core Plans with Health Tradition Health Plan. BadgerCare Plus members have prescription coverage through the State of Wisconsin. Please contact the state's Member Services toll-free number (1-800-362-3002) for information on covered medications.
- Health Tradition members must have any outpatient prescriptions filled at an SXC Health Solutions, Inc. pharmacy. For a listing of SXC pharmacies, please contact Customer Service at 1-877-832-1823 or visit the Health Tradition Web site, www.healthtradition.com, to access our Pharmacy Directory.
- Over-the-counter medications are not covered by the health plan.
- This formulary contains items commonly used in the outpatient setting.

For more information on your formulary or how to fill your prescriptions, please visit the “**Member**” area of the Health Tradition Web site, www.healthtradition.com, and select “**Drugs/Pharmacy**.”
